

SECURED STEPLADDER GARDIA 90 CM Réf.: 202120

Caracteristics

Secured stepladder. Flapping guardrail: More practical than a chain or a strap. Clip for locking. **CONVENIENT:** Stability on the floor and compact when folded. Spindle wheels = high mobility. The wheels on springs go down with the weight of the user. When the user descends the wheels go up again. Inner wheels: The ladder can be placed as close to the wall as possible. Comfortable anti-slip platform. Flanges: Anti tool fall. **ROBUST:** Resistant grating steps. Tenon-mortise assembly and CMT welding. Metal tool holder. On every Gardia except the model of 50 cm: elevated back holm in case of obstacles (toilets, ...). Hook: coatings within hand reach. Transport handle. Made in France in our factories.
