

CARPENTER'S HAMMER - 'XSTRIKER' - WITH MAGNET

Réf.: **512325000**

Characteristics

Streamlined X Striker head. Squared head for professional use. Flat side cheeks: complementary strike zones, without branding. Double nail pocket for positioning the nail at 2 points. Holding the nail with a magnet pad. Allows the nail to be pre-positioned in hard-to-reach areas, in all positions and in particular upside down. Single-point claw for driving the tool into the frame: the tool is accessible and the hands are free. The other shorter tip allows more clearance when pulling the nail. Localized heat treatment and 4 anti-splinter bevels. Neat finish and design: fully polished and varnished head. Tubular steel handle, safety pin, elastomer grip. Safety: fitting guaranteed by the German organization GS. Certified by TÜV Rheinland.

XSTRIKER
