

SET OF 6 SCREWDRIVERS SLOTTED HEAD AND PHIL- LIPS® UNO Réf.: 9127061101

Characteristics

SAFETY AND PRACTICALITY. No risk of injury looking for your screwdriver in your toolbox. Screwdriver blades don't stick out over the top. Efficient storage and ultra-fast identification of the right screwdriver. A quick glance to make sure you don't run out of screwdrivers. Blade locking system on the frame: no risk of dropping your screwdriver. **COMPACT.** Fits comfortably in your hand, making it easy to move around with your complete set of screwdrivers. Doesn't take up much space in your sheet metal, textile or plastic toolbox. The shape of the innovative frame ensures perfect stability when you place your screwdriver set on a flat surface. **REDGRIP SCREWDRIVER.** Powerful screwing and unscrewing torque thanks to the shape of the 6-lobe handle and its non-slip neoprene material. Ergonomic bi-material handle with chemical and shock-resistant materials. Chrome vanadium steel blade with special heat treatment for perfect resistance to torsion and bending. Phosphate-coated blade for improved grip on screw heads. The shape of the handle is designed to prevent the screwdriver from rolling when placed on a fixed or mobile work surface. The end of the handle is perfectly rounded and smooth, making it extremely comfortable to use. The dimensions of the screwdriver are marked on the handle and blade, and the screw impression is stamped in colour to help you quickly identify the right screwdriver.
