

COMBINATION PLIER Réf.: 9304160001

Characteristics

COMPACT: PVC sleeves have the advantage of being thin and provide a lightness and maneuverability appreciated in certain trades. The small footprint makes it an asset in a toolbox.

QUALITY: Forged and hardened chrome-vanadium steel heads. The metal parts are partially polished. Thus, the direct light of a punctual illumination dazzles less.

ISO 5746 - NF E 73-103.
