

DIAGONAL CUTTING PLIER Réf.: 9305140001

Characteristics

COMPACT: PVC sleeves have the advantage of being thin and provide a lightness and maneuverability appreciated in certain trades. The small footprint makes it an asset in a toolbox.

QUALITY: Forged and hardened chrome-vanadium steel heads. The metal parts are partially polished. Thus, the direct light of a punctual illumination dazzles less.

NF ISO 9654/5749 - DIN ISO 5238 - NF E 73-105.
